will join in November next The
pay is perhaps higher than what
the Ret' Committee recommended
and Govt. approved for the post.
But as it is the pay of a second
class chief Engineer in Bombay
which Mr Visvesvarayya will
doubtless attain, it may not
be considered excessive
His present pay at Hyderabad
is Rs 2,000 per mensem
Therefore and as Capt Dawes

will continue with us, the proposal is to appoint him as offg Chief Engineer as was done on the last occasion when Mr. McHutchin went on leave after some discussion. Hence the proposal for the approval of Councillors which I have already sent to you. I hope all this will be satisfactory to yourself & 2nd Councillor & whom please show these lines.

As the term of office ere this fixed in the Case of Messrs Ramprasan Sengar & Bhatia Lalsirs on the 30th inst. it will probably be

be necessary as a legal formality to issue an order stating that their services have been extended this will also enable the Comptroller to keep issuing their salaries until further orders Kindly let me know whether this meets with your own & Second Ci's approval. His Highness will probably have no objection.

I hope to be in Bangalore DV on Sunday next.

Dewans D O note of 28th June 1909

1. I cordially approve of the proposal to appoint Mr. Visvesvarayya as Chief Engineer of Mysore and Secretary D P W - for a term of 3 years on a net salary of Rs 2500/. It is a matter for congratulation that we were able to secure his services at this juncture and he would be a real acquisition to the State The pay is not excessive considering his high standing in the Depart and the sacrifice he makes in leaving the Bombay P W D

I meant Chief Engineer as called now

2 Capt Dawes may be appointed to act as Chief Engineer until Mr Visvesvarayya joins

3 Mr Ramaswamiengar is now in his 59th year. I have no objection to a short extension being granted to him. It would perhaps be more satisfactory to fix the term and not to leave it indefinite

4 Mr Bhabha has just completed 57 years of age. He may also be given a short extension

2. The First Councillor agrees to a short extension being given to both these officers, but would prefer a definite term being fixed. The Second Councillor agrees to the proposals without any qualifications.
